

# **BOIL WATER ADVISORY FOR ICMSA'S ARCADIA WATER SYSTEM**

**Indiana County, PA**

**Date: Friday, June 3, 2022**

The Indiana County Municipal Services Authority is issuing a precautionary boil water advisory for customers on the Arcadia water system from Saturday, June 4<sup>th</sup>, through Thursday, June 9<sup>th</sup>, 2022.

The precautionary boil water advisory is being issued because ICMSA is utilizing an alternative source of treated water.

It is recommended that customers boil all water used for food preparation, drinking, brushing teeth, preparing baby formula, and preparing food and drink until Thursday, June 9<sup>th</sup>, 2022. Customers are advised to bring the water to a rolling boil for at least one (1) minute, which is sufficient to ensure the water is safe for consumption. After boiling, remember to let the water cool before use. The water may be used for bathing and washing without boiling.

For more information, please contact the ICMSA office at 724-349-6640.

ICMSA apologizes for any inconvenience this advisory may cause and thanks you for your patience.
